## Long & Silverman Public Relations Presents *William R. Patterson*

### The Ethical Road Map to Wealth, Power & Success

Today's business and financial markets are highly volatile and your audience needs to understand the best strategies for protecting themselves during the worst financial crisis since the Great Depression. The current economic environment presents converging risks that many individuals and business owners have never seen. While many companies are losing billions of dollars and downsizing thousands of employees, renowned business and wealth coach **William R. Patterson** will share strategies to help your audience dramatically improve their personal finances and businesses.

Industry leaders who know about building business and personal wealth such as Bob Johnson, billionaire Founder of Black Entertainment Television, and John L. Jacobs, Chief Marketing Officer of The Nasdaq Stock Market, Inc., champion Patterson's breakthrough approach.

Book **William R. Patterson** and let him give your audience a fresh road map to financial and business success.
